COSMETOLOGY COURSE OVERVIEW

Course Hours: 1000 clock hours

The course is divided into pre-clinical classroom instruction and clinical service learning experiences.

- **Pre-clinical Classroom Instruction**: The first 210 hours are devoted to classroom workshops where students learn design principles, technical information, and professional practices.
- **Clinic Classroom Learning Experience**: The remaining hours are spent in the clinic floor classroom where practical experience is gained.
- **Distance Education Learning Experience:** A student enrolled in a program with distance education may earn up to 23.25% of the program's total clock hours through distance education.

COSMETOLOGY COURSE OUTLINE

A student's time at **Paul Mitchell The School Modesto** for the cosmetology program will be divided into five designations:

- **Core Curriculum**: A 210 hour orientation, known as the CORE program, instills the basic fundamentals. Students are graded and evaluated using written, oral and practical testing methods. Students must successfully complete the Core Curriculum prior to attending regularly scheduled classes in cutting, coloring, texture services, nails, makeup, and skin.
- **Clinic Classroom Experience**: Each student's learning process will be guided with individual attention and group learning experiences include workshops, theory state requirements, and written and practical exams that have been developed specifically for this monitoring process. This is when students will begin working on paying clients.
- **Classroom Learning:** Each student's time in the classroom is divided into four areas. Each of these areas has a specialist in that field that will conduct the different elective classes once a week. These areas are cutting, coloring, texture, skin, nails, and makeup. The specialty class includes guest artists, retail, motivation, and self-

improvement, etc. Classroom Learning Experiences may also include retail, motivation, self improvement, professional development, and attendance education which may be conducted by an instructor, non-licensed staff member or guest artist.

- **Adaptive Curriculum:** From 210 to 500 hours students will enter a new phase of elective classroom workshops coupled with challenging practical services that will continue to build them into a confident designer.
- **Creative Curriculum:** Students will spend their last 500 hours in School in "high gear" by dressing, acting and working like a true professional. They will use their own artistic and creative abilities, coupled with the assistance of the Learning Leaders, to prepare for their future beauty industry career.

COSMETOLOGY PROGRAM TESTING AND GRADING PROCEDURE

The following tests and grading procedures are used to assess student learning and mastery of course content in the 1000-hour course:

Students must receive and maintain a 85% or higher grade point average throughout their Theory course. If a student fails to receive a 85% or higher on a theory exam, the student will be given an opportunity to make up that exam.

1. **Academic theory exams**: Students must receive a grade of 85% or higher on each assigned theory exam. Depending on the length of the distance education module, theory exams will occur weekly. The theory exams will evaluate the student's academic performance for each subject of the distance education curriculum.
2. **Core written and practical skills evaluation test:** Students must receive a grade of 85% or higher on each written exam and each practical skill exam in order to complete the Core program. The exams are an overview of instruction taught during the Core schedule. All Core written and practical skill exams must be passed with a 85% in order to transition to the Clinic Classroom. If students are unable to pass each exam after two attempts, the student may be asked to withdraw from the program and re-enroll in the next available Core class start date. The Core practical skills evaluation must be completed within the school facility and cannot be taken through distance education.
3. **Final exams:** This test covers an overview of all related cosmetology subjects (e.g., anatomy, chemistry, etc.). Students must receive a grade of 85% or higher on all final exams. Final Exams must be completed within the school facility and cannot be taken through distance education.
4. **Clinic Practical Skill Assessments:** Future Professionals progress in practical skill assessments and theory hours will be digitally monitored on a weekly basis by the Future Professional Advisor using the MyPortico app. All assigned practical skill assessments must be completed in order to complete the program.
5. **Distance education assessments**: Students must complete a distance education written assessment and practical skill assessment. These are based on performance and must be completed on-campus each month. The distance education assessment will focus on the distance education subjects covered during that time period. Students must receive a grade of 85% or higher on each distance education written assessment and each practical skill assessment. Only students enrolled in the distance education program are required to complete these assessments.
6. **Distance education assignments:** The institution will respond to student's submission of lessons, projects and or evaluations the next business day.
