ESTHETICIAN COURSE OVERVIEW

Course Hours: 600 clock hours

The course is divided into pre-clinical instruction and clinical service learning experiences.

- **Core Classroom Instruction:** The first 210 hours are devoted to classroom workshops, where the student learns esthetic principles, technical information and professional practices.
- **Clinic Classroom Learning Experience:** The remaining weeks are spent in the clinic floor classroom where practical experience is gained.
- **Distance Education Learning Experience:** A student enrolled in a program with distance education may earn up to 24.91% of the program's total clock hours through distance education.

ESTHETICIAN COURSE OUTLINE

- **CORE: Core Curriculum:** A 210 hour orientation, known as the CORE program, instills the basic fundamentals in skin care. Students are graded and evaluated using written, oral and practical testing methods. Students must successfully complete the Core Curriculum prior to attending regularly scheduled daily classes.
- **CREATIVE:** Students will enter a new phase of elective classroom workshops coupled with challenging practical services that will continue to build them into confident skin care therapists.

ESTHETICIAN PROGRAM TESTING AND GRADING PROCEDURE

The following tests and grading procedures are used to assess student learning and mastery of course content in the 600-hour course:

Students must receive 85% or higher grade point average throughout their Theory course. If a student fails to receive a 85% or higher on theory exam, the student will be given the opportunity to make up that exam.

1. **Core written and practical skills evaluation test:** Students must receive a grade of 85% or higher on each written exam and each practical skill exam in order to complete the Core program. The exams are an overview of instruction taught during the Core schedule. All Core written and practical skill exams must be passed with a 85% in order to transition to the Clinic Classroom. If students are unable to pass each exam after two attempts, the student may be asked to withdraw from the program and re-enroll in the next available Core class start date. The Core practical skills evaluation must be completed within the school facility and cannot be taken through distance education.
2. **600-hour written test.** The written examination will cover a variety of State Board mock questions.
3. **Distance education assessments:** Students must complete a distance education written assessment and practical skill assessment. These are based on performance and must be completed on-campus each month. The distance education assessment will focus on the distance education subjects covered during that time period. Students must receive a grade of 85% or higher on each distance education written assessment and each practical skill assessment. Only students enrolled in the distance education program are required to complete these assessment
4. **Distance education assignments:** The institution will respond to student's submission of lessons, projects and or evaluations the next business day.
