Paul Mitchell The School Modesto

PAYMENT OPTIONS

We offer financial aid to those who qualify. If a student obtains a loan to pay for the educational program, the student will have the responsibility of repaying the full loan plus interest, less the amount of any refund. Financial aid recipients understand that monies received on their behalf are applied first to tuition costs. The school accepts Cashier Check, Money Order, Credit Card, or Cash payments made on line. Please contact the school's Financial Services Office for payment options. There is a $50.00 fee for echeck failed payments.
